

Library Management System

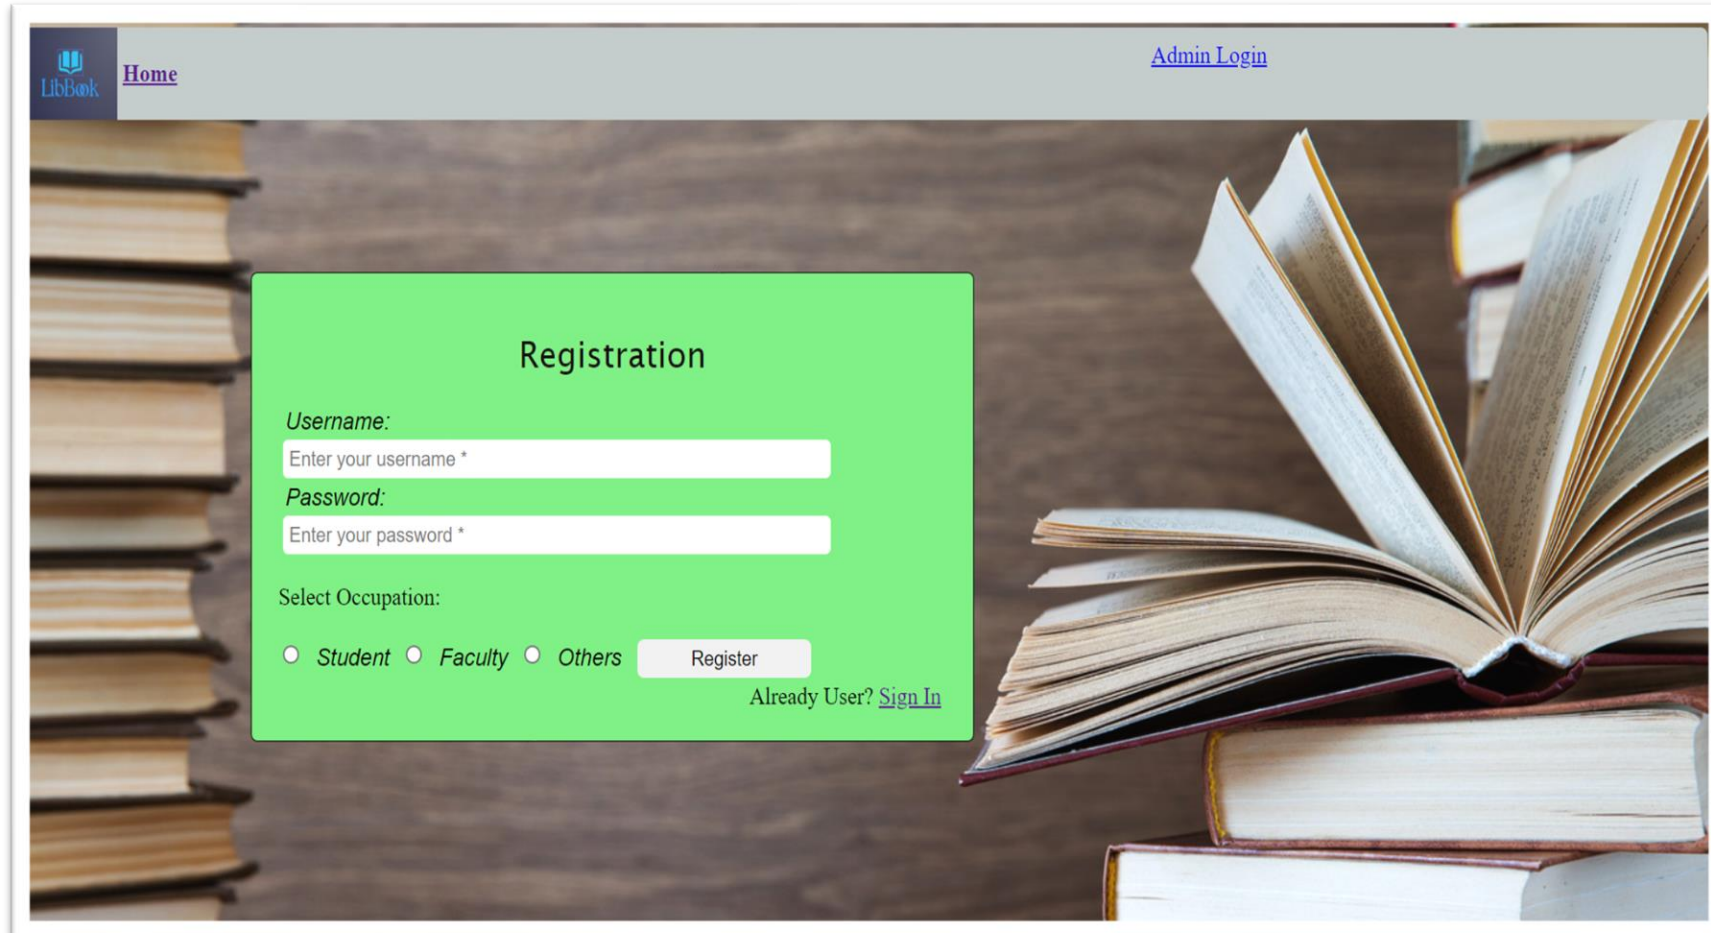

Multi User digital library. Where user can read books for free.

Project Summary

- There is only one admin
- New User can register
- Existing user can login
- Different page for user and admin login.
- There are different functionalities of admin and user
- Admin can see available book copies, add new books, add new sections, add and remove books to a particular section, remove or update section, update and remove books' name, content, author and edition etc.
- On the other hand user can see available books in the library, read books, request books(at most 5), give feedback.

Registration Page

A screenshot of a web application's registration page. The background is a photograph of several books, some stacked and some open. A light green rectangular form is centered on the page. The form has a title 'Registration' at the top. Below the title are two input fields: 'Username:' with a placeholder 'Enter your username *' and 'Password:' with a placeholder 'Enter your password *'. Below these is a 'Select Occupation:' section with three radio buttons labeled 'Student', 'Faculty', and 'Others'. To the right of the radio buttons is a 'Register' button. At the bottom right of the form, it says 'Already User? [Sign In](#)'. The top of the page has a grey header bar with a 'LibBook' logo on the left, a 'Home' link in the center, and an 'Admin Login' link on the right.

User Login

A screenshot of a web application's user login page. The background is a stack of old, open books on a wooden surface. The page has a grey header bar with a 'LibBook' logo, a 'Home' link, and an 'Admin Login' link. A green login form is centered on the page. It contains a red error message at the top, a 'Log In' title, and input fields for 'Username' and 'Password'. A 'Log In' button is at the bottom left of the form. To the right of the form are links for 'New User? Sign Up' and 'Forgot Password?'. A small status bar at the bottom right shows the IP address '127.0.0.1:5000'.

Admin Login

A screenshot of the Admin Login page. The page has a grey header with a 'Libbank' logo, a 'Home' link, and a 'User Login' link. The main content area has a background image of a stack of books with one open. A green box contains the 'Admin Login' form. The form has fields for 'Username:' and 'Password:', each with a placeholder 'Enter your username*' and 'Enter your password*' respectively. There is a 'Log In' button and links for 'Forgot Password?' and 'User Login'.A screenshot of the Admin Login page showing an error message. The page layout is identical to the first screenshot, but with an additional red error message at the top of the green form box: '*Wrong input. Please check your username or password'. The 'Admin Login' title is also present.
